

JACKSON HOLE ONE FLY - TEAM SELECTION PROCESS

The Jackson Hole One Fly Board of Directors adopted a team selection policy in order to ensure an equitable selection process.

2022 Team Entry Deadline (*Application and Deposit*) - December 15, 2021

No team will be considered unless their Entry Fee Deposit (\$3,800 per team or \$6,300 for Sponsor Team) is received by the deadline date. Total Team Entry Fee is \$7,600 or \$12,600 for Sponsor; Team Alternate Members are an additional \$400 each.

A list of teams (with application/deposit received) will be circulated to all One Fly board members. A team may be eliminated if behavior at past events has been unacceptable.

A list of One Fly event “supporter” teams will be offered positions. Teams are considered a “supporter” team:

- a) If they are actively committed to the goals of the One Fly through special contributions, support of conservation projects, longevity, and have been willing to help the event when called upon.
- b) If their team members participate in all One Fly events, are punctual and conduct themselves in a sportsmanlike manner.

New Team applications are encouraged and new teams will be selected each year.

SPONSOR TEAMS

Sponsor Team positions are available for \$12,600 per team and will be offered a position upon payment of this fee. The Sponsor Teams will receive a full page color ad and special recognition in the One Fly Program Book with a portion of their entry fee going to stream improvement projects.

BLIND DRAWING

The remaining positions and an alternate list will be filled by a blind drawing.

A total of forty teams will be accepted.

DEFINITION OF A PROFESSIONAL
