

JACKSON HOLE ONE FLY - TEAM SELECTION PROCESS

The Jackson Hole One Fly Board of Directors uses a team selection policy in order to ensure an equitable selection process. Details are as follows:

2023 Team Entry Deadline (Application and Deposit) - December 15, 2022

No team will be considered unless their Entry Fee Deposit \$4,562.50 per Regular Team (or \$7,562.50 for Sponsor Team) is received by the deadline date. Total Team Entry Fee is \$9,125 or \$15,125 for Sponsor; Team Alternate Members are an additional \$500 each.

A list of teams (with application/deposit received) will be circulated to all One Fly board members. A team may be eliminated if behavior at past events has been unacceptable.

A list of One Fly event “supporter” teams will be offered positions. Teams are considered a “supporter” team:

- a) If they are actively committed to the goals of the One Fly through special contributions, support of conservation projects, longevity, and have been willing to help the event when called upon.
- b) If their team members participate in all One Fly events, are punctual and conduct themselves in a sportsmanlike manner.

New team applications are encouraged, and we strive to select a number of new teams each year, conditions permitting.

SPONSOR TEAMS

Sponsor Team positions are available for \$15,125 per team and will be offered a position upon payment of this fee. The Sponsor Teams will receive a full page color ad and special recognition in the One Fly Program Book with a portion of their entry fee going to stream conservation, infrastructure and improvement projects.

BLIND DRAWING

The remaining positions and an alternate list will be filled by a blind drawing.

A total of forty teams will be accepted.
